The Girls' League's year had many varied activities. Big and Little Sister Week started the year. Kangaroo Court brought many squeals and screams from the freshman and new girls. The Southwest Washington Girl's League Conference, which was held at Washougal, created much activity during the fall. Girls' Leagues from all over Southwest Washington attended. Christmas time found the girls making favors for hospitals. Spring was highlighted by the annual Mother-Daughter Tea, at which time the Girl of the Year was announced.

German Club serenades classes during Christmas Week.

German Club Begins First Year

German Club is a new organization this year, but it has already proved its worthiness. Among its many activities were a trip to Portland for a German dinner in a German restaurant. The members also went to a movie together. During Christmas week, they serenaded the classes with German Christmas carols. They ended their year with a Waschling Festival, an old German holiday.

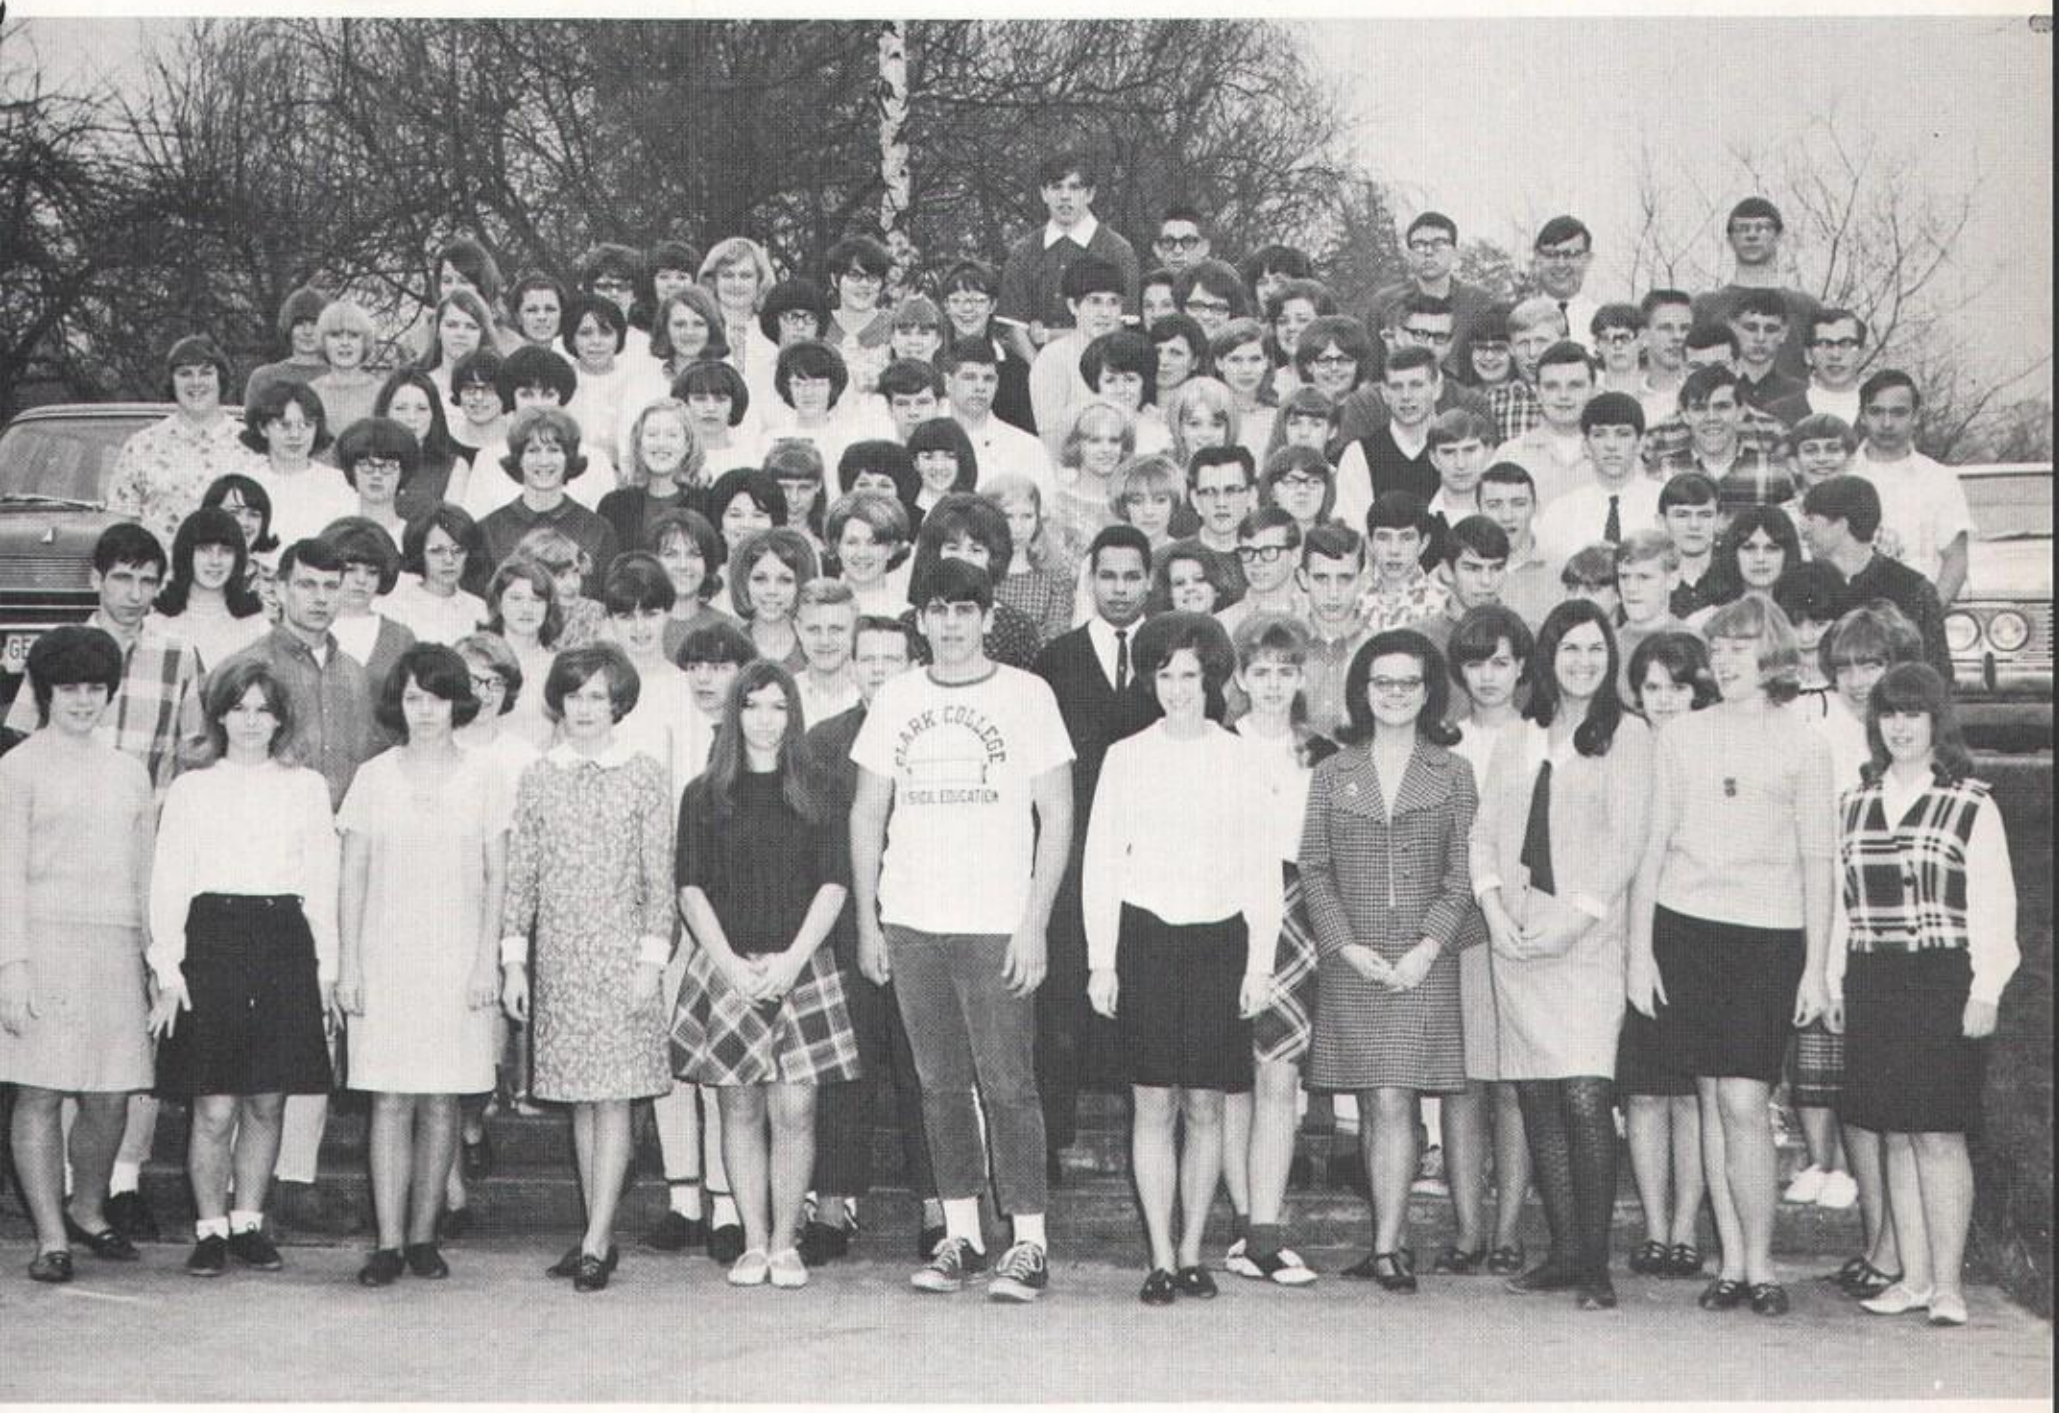
International Relations Club had a very successful year with the membership soaring. The year began with the announcement that Ellen Richards had been chosen as Miss United Nations. IRC also had a get-together with the Camas IRC club. The club worked towards the two days at SWIRL held at Clark College when the members of all the IRC clubs meet and hold a mock United Nations assembly.

IRC Officers: Vicki Thrall, Teresa Schlegel, Linda Berry, Sandy McCary, Julie Kramer, and Janet Dilley.



IRC members don't all get together very often—there is no room big enough!!

Slave Week Creates Activity

Latin Club "masters" prepare for Slave Week

The Slave Week brought much activity to the Latin Club. The week started with the "slave" sale. First year students were sold to the "masters", "gods", and "goddesses", which were the second year students and former Latin students. The "slaves" worked hard to please their "masters" by cleaning lockers, running errands, and having penny races up and down the halls.

The end of the week was highlighted by the royal Latin Club Banquet. The "slaves" provided the entertainment while the "masters", "gods", and "goddesses" feasted.

The highlight of the Spanish Club's year was the Spanish Club Banquet. Featured at the banquet were such Spanish specialties as tacos, chili, tortillas, and enchiladas.

Last but not least, the breaking of the pinata ended the evening with a shower of candy for all.

Initiation Marks Honor Society's Year

Honor Society's year was an active one, centerd around earning sufficient funds for two Honor Society Scholarships and the initiation of the new National Honor Society students.

Through concessions and a magazine sale, Honor Society was able to offer two $100 Scholarships to Linda Berry and Beckie Fauglid.

Dennis Doyle was selected as the most outstanding athlete by the members of 'W' Club.

Attend Award Banquet

Inner tubes, crazy costumes, and silly stunts set the scene for Pep Club initiation.

Pep Club had a busy schedule of activities. The year found the members attending football and basketball games, raising money by sponsoring a dance, and honoring the Senior basketball boys' parents. In the spring their activity-filled year was closed by the annual 'W' Club dessert hour when Julie Kramer was announced as inspirational girl and Ted Morris as inspirational boy.

It has been a strenuous year, but Girls' Athletic Association had a successful one. Leo Blodgett, junior center, was leading rebounder with 116 followed closely by Dennis Doyle with 110. Senior guard Jeff Lightheart hit 52 percent of his shots to lead in field goal shooting.

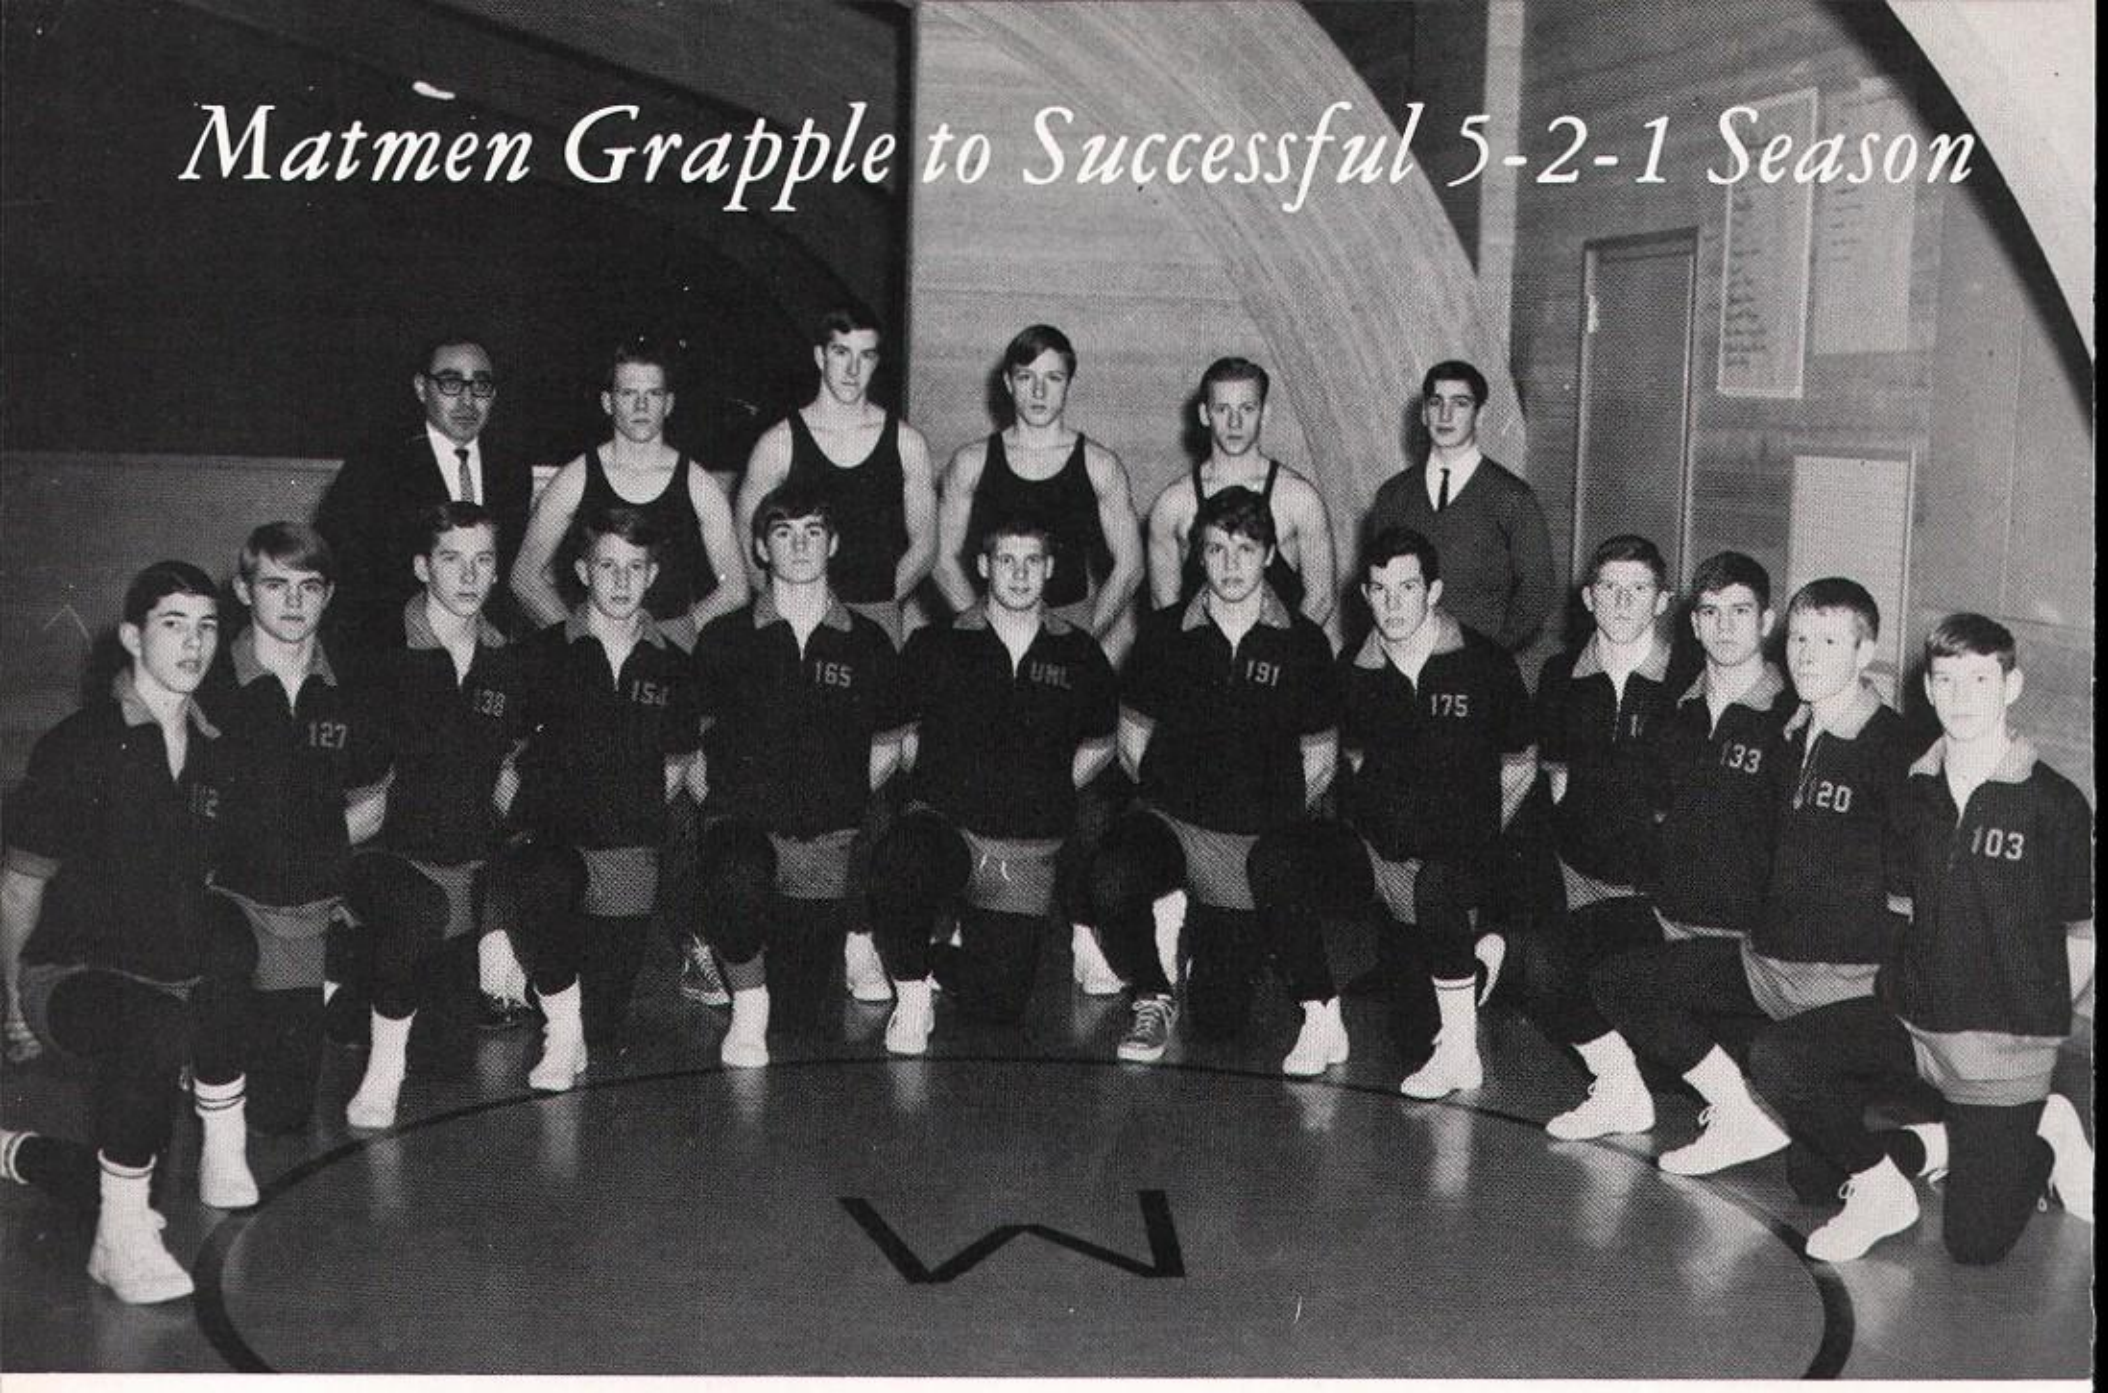
J.V.s TAKE 2ND IN TRICO

The 1966-67 J.V. basketball team under the leadership of Coach Ken Anderson had a very successful season. Their nine win-three loss record earned them second place in the league. In non-league play they had one win and two losses going against Double A schools.

Matmen Grapple to Successful 5-2-1 Season



Front Row: l. to r.; Pat MacDonald, Steve McClellan, Dale Anderson, Chuck Barber, John Begier, Mark Dunlap, Jim Begier, Dick Anderson, Roger Daniels, Dan Stineback, Gregg Early, Scott MacDonald. Back Row: l. to r.; Coach Rodriguez, Ron Madden, Victor Hoffman, Carl Bocchi, Leif Leifsen, Manager David Lackey.

The Panther Matmen finished third in Trico with a league record of 5 wins, 2 losses, and 1 tie in their third year of competition.

The team, under the direction of Coach Larry Rodriguez and leadership of co-captains, Chuck Barber and Leif Leifsen, displayed some fine talent and showed great team spirit.

Although the team placed third in Trico, special attention should be called to individual efforts by two wrestlers. Scott MacDonald, a sophomore who wrestled at 103, finished the season with a 9 win and 1 loss record. The other was "Big" Jim Begier who wrestled at 191 lbs. He went to the district match and placed fourth, missing a chance to go to state by one position.

Next year Coach Rodriguez will have some fine returning lettermen with good experience under their belts. Some of these are Dick Anderson, Chuck Barber, Roger Daniels, Pat MacDonald, Ron Madden, and Steve McClellan. With these men the wrestling team has great potential and an excellent chance to place high in the league next year.

Under the leadership of Coach Nagel the Panthers had a successful season with a 5-3 record.

Batting was led by Captain Dennis Doyle with a 473 average and Dennis Peake with a 333 average. Both of these boys made the Trico All-Star team.

Doyle also led in the pitching department with two of the league wins.

Outstanding Panther trackmen this year were Terry Williams who finished second in the 880 yard run at the state track meet; the mile relay team of Bill Seekins, Leland Bedell, Rick Peake, and Butch Blodgett who also finished second at the state meet; Tim Edgely who placed fifth for the Panthers at state; and Jim Martell who took sixth at state in the shot put.

This year's Panther squad had a better showing at state than ever before. They scored 19 points, enough to earn them eighth place in the Class A Track Meet.

Varsity Rally Cheer
Panthers On To Victory

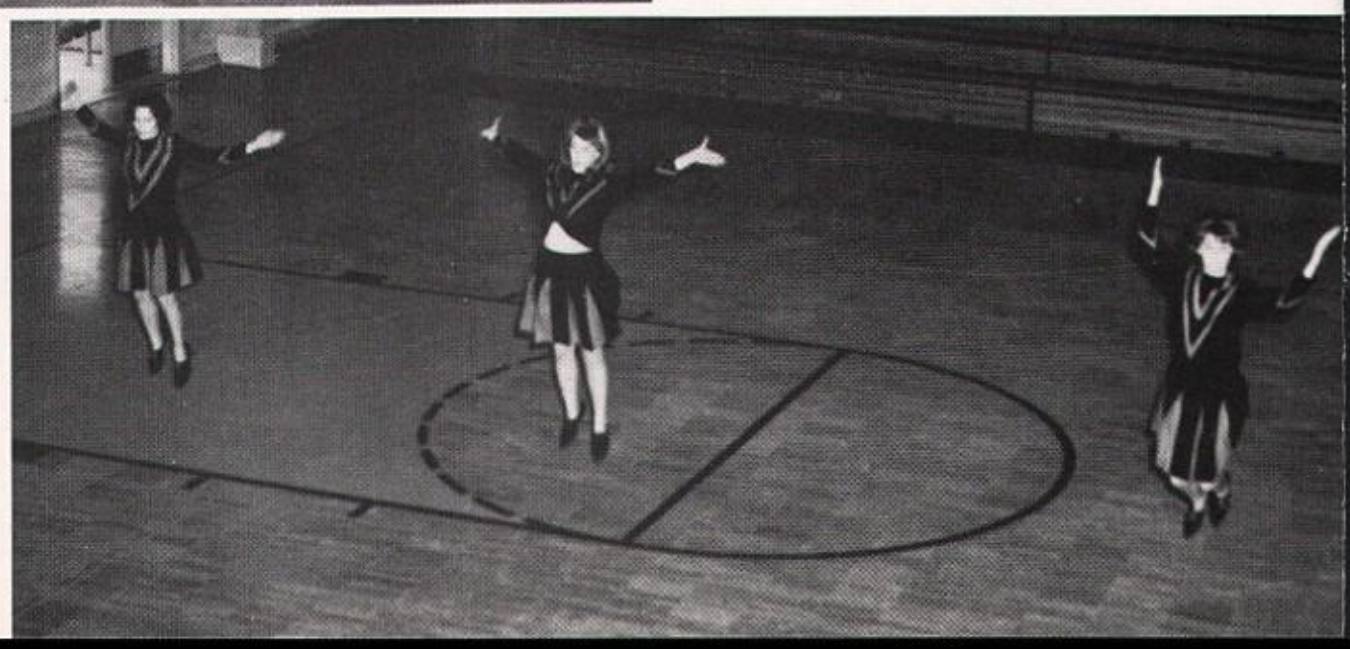
Enthusiastically performing at each pep assembly and game, this year's varsity rally contributed greatly to the Panthers' athletic success.

Devoting much of their time to practice, the girls spent two nights a week during the summer and school year to attain perfection in their routines.

The girls on this year's varsity rally squad were Winnie Tuholski, Pep Queen; Mary Burchett, Yell; Penny Ogle, Yell; Maryann McDaniels, song; Diane Meyer, song; Janet Dilley, song; and Vicki Thrall, song.

J. V. Rally Instills Team Spirit

This year's J.V. Rally included sophomores DeVonna Brink, Judy Walton, and Teri Helm. These three girls devoted their time and energy in practice to better their routines while enthusiastically cheering the J.V. teams on to victory.



The J.V. Rally participated in skits with the Varsity cheerleaders to boost the spirits of the team members and student body for the oncoming game.

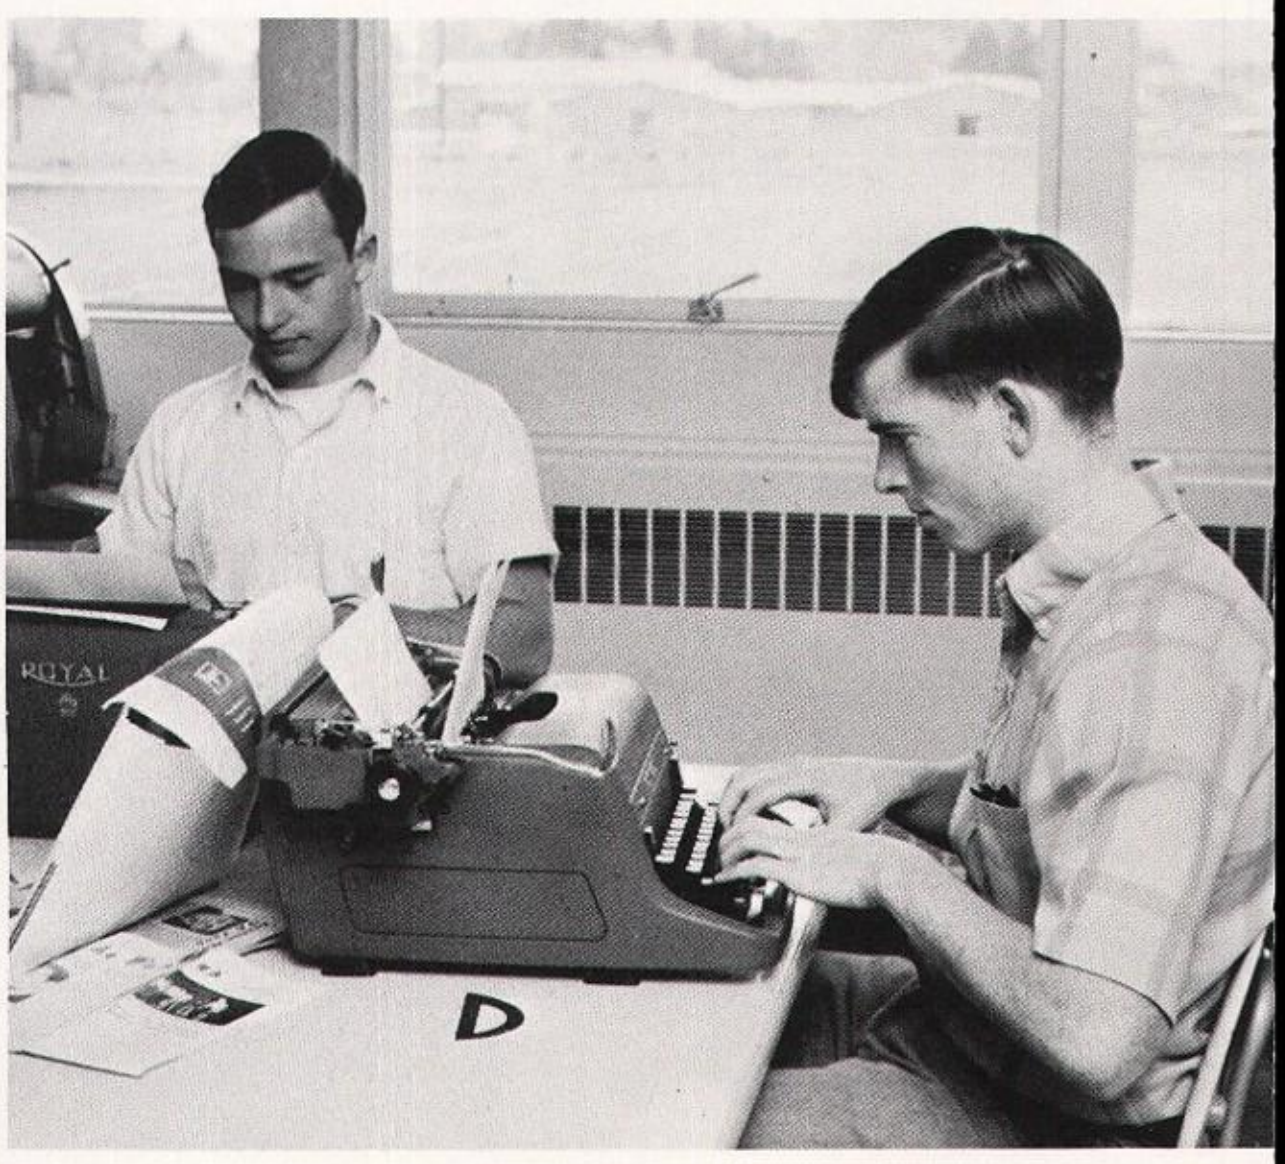
Kaiyawi Staff Strives For All-American Annual

Donnetta Brink—Business Manager



Charlie Lindgren and Bill Seekins write script for the sports section.

With the changeover from a spring to a fall delivery, this year's annual contains many innovations. The annual staff worked extra hard to acquire the money to support the "color pages cause." A fuller coverage was given the spring sports with more action shots of baseball, track, and golf. A big thrill, especially for the seniors, was the inclusion of graduation excitement—from the distribution of caps and gowns to the Baccalaureate Service and finally to the Commencement Exercises and the Senior Party.

Many long hours of work went into the production of Kaiyawi 1967. Attempting to meet the deadlines, the annual staff spent days selling advertisements, drawing layouts, writing copy, and waiting for pictures. The challenges and rewards derived from the work were well worth the effort as we, the annual staff, now present to you, Kaiyawi 1967.

Panther Tales Becomes Printed Paper

Kathy Kaiser—Editor-in-Chief

Kathy Kaiser, editor of *Panther Tales*, attended summer conferences in journalism at the University of Washington and the University of Idaho. Margie Straughan also attended the University of Idaho while Lynn Barchus Calderone and Sharron Hunter went to Portland State. With many new ideas, they came back with enthusiasm to really make *Panther Tales* great. And they succeeded.

For the first time in the history of our school, *Panther Tales* became a printed paper. Excellent coverage was given to the many school activities and events—academic, sports, and social. Items such as editorials, senior spotlights, and the "I Love" and "I Wish" columns were enjoyed by all.

The paper staff also sponsored the annual Sadie Hawkins dance which was a great success.

Congratulations go to this year's *Panther Tales* staff for a job well-done.

Highlights Band Year

Washougal High School's Band began the year by electing officers. Then they settled down to hard work and many hours of practice for their many appearances scheduled for the year.

Highlighting their year was the exchange concert with Enumclaw High School. The WHS Band traveled to Enumclaw to present their concert and spent the night at various band members' homes. Several weeks later, the Enumclaw Band came to Washougal to present their concert and spent the night here.

The Pep Band played at all the pep assemblies and at the home football and basketball games.

The Band appeared in their annual Christmas Concert and again for the Spring Concert. Their final appearance was at the Commencement Exercises.

Among the outstanding Band members were Donna Gibbons and Dale Luthy who were selected to attend "Music In May" in Forest Grove, Oregon.

The Band plays at Commencement Exercises.

The Melo-Dears

Members of the High School Choir, the Chordaliers, the Freshman Choir, and the Melo-Dears combined to begin the year with the production of "Gay Nineties in 3-D."

December brought the annual Christmas Concert filling the auditorium with lovely Christmas melodies.

In April, the Spring Concert was presented with the theme "Once Upon A Time." Selections from Brahms and "The Sound of Music" were sung. A special attraction of the concert was the piano duets by Cathy and Leo Blodgett and David and Steve Lackey.

Nancy Cummings and Winnie Tuholski were selected to attend "Music in May" in Forest Grove, Oregon. This is an annual music festival held at Pacific University and composed of the outstanding choir members from the Pacific Northwest.

At their final appearances, Baccalaureate and Commencement, the choir wore their new purple robes which they worked so hard to purchase.

Lovely Leading Ladies

Can-Can Girls

Flouncing their multi-colored petticoats are Cheryl McDaniels, Marla Haack, Wendy Johnston, Janet Krogstad, Debbie Anderson, Marsha Leifson, and Janie Hansen.

Many long hours of rehearsals—both after school and evenings—went into the production of "Gay Nineties in 3-D." Parts were given out in October, and members of the cast spent the next weeks perfecting their roles and making their costumes. The final outcome—November 17, 18, and 19—was one of sheer fun and delight for all.

Eric Sadewasser and Doug McEnry are featured in "Black Face."

"Gay Nineties" Delights Audience

Performing for capacity crowds three consecutive nights, the combined choirs of Washougal High School presented "Gay Nineties in 3-D." Under the very capable direction of Mrs. Nona Olsen, the production brought outstanding reviews and much well-deserved praise.

Can-Can Boys

Kicking high are Ken Nelson, Scott Brill, Jack McCoy, and Dave Marchbank.

Eddie Helland stars in "A Whale Of A Tale."

"By The Sea" features Gloria McNealy, Linda Schlotman, Evelyn Travis, Susi Baker, Glenna Hobson, and Debbie Tuholsky (not seen).

Physical Education and Industrial Arts classes develop skills.

Industrial Arts classes at WHS consist of General Metals which places emphasis on tool maintenance, shop skills, designs and construction of useful metal projects while using techniques of forging, arc welding, sheet metal and oxyacetyle welding.

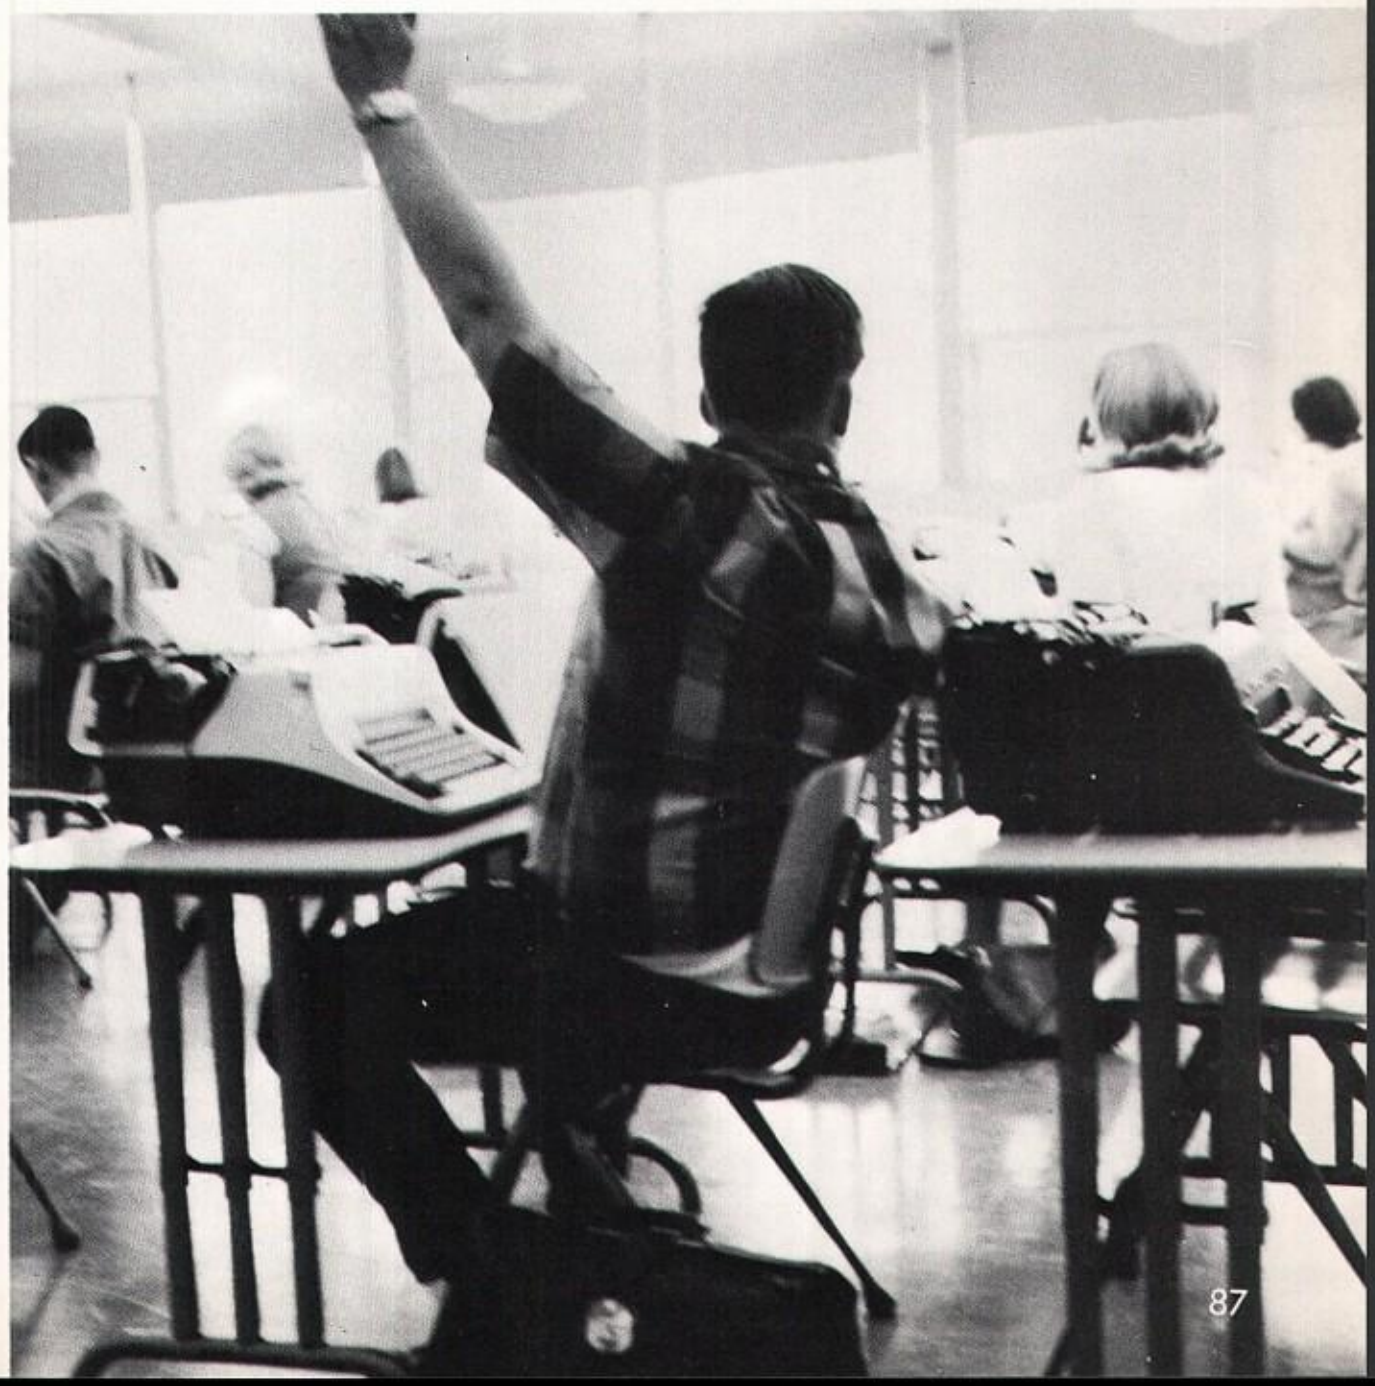
Woodshop teaches use of common power equipment and safety while constructing furniture, houses, and boats. Mechanical and Architectural Drawing classes cover the drawing of house plans to scale.

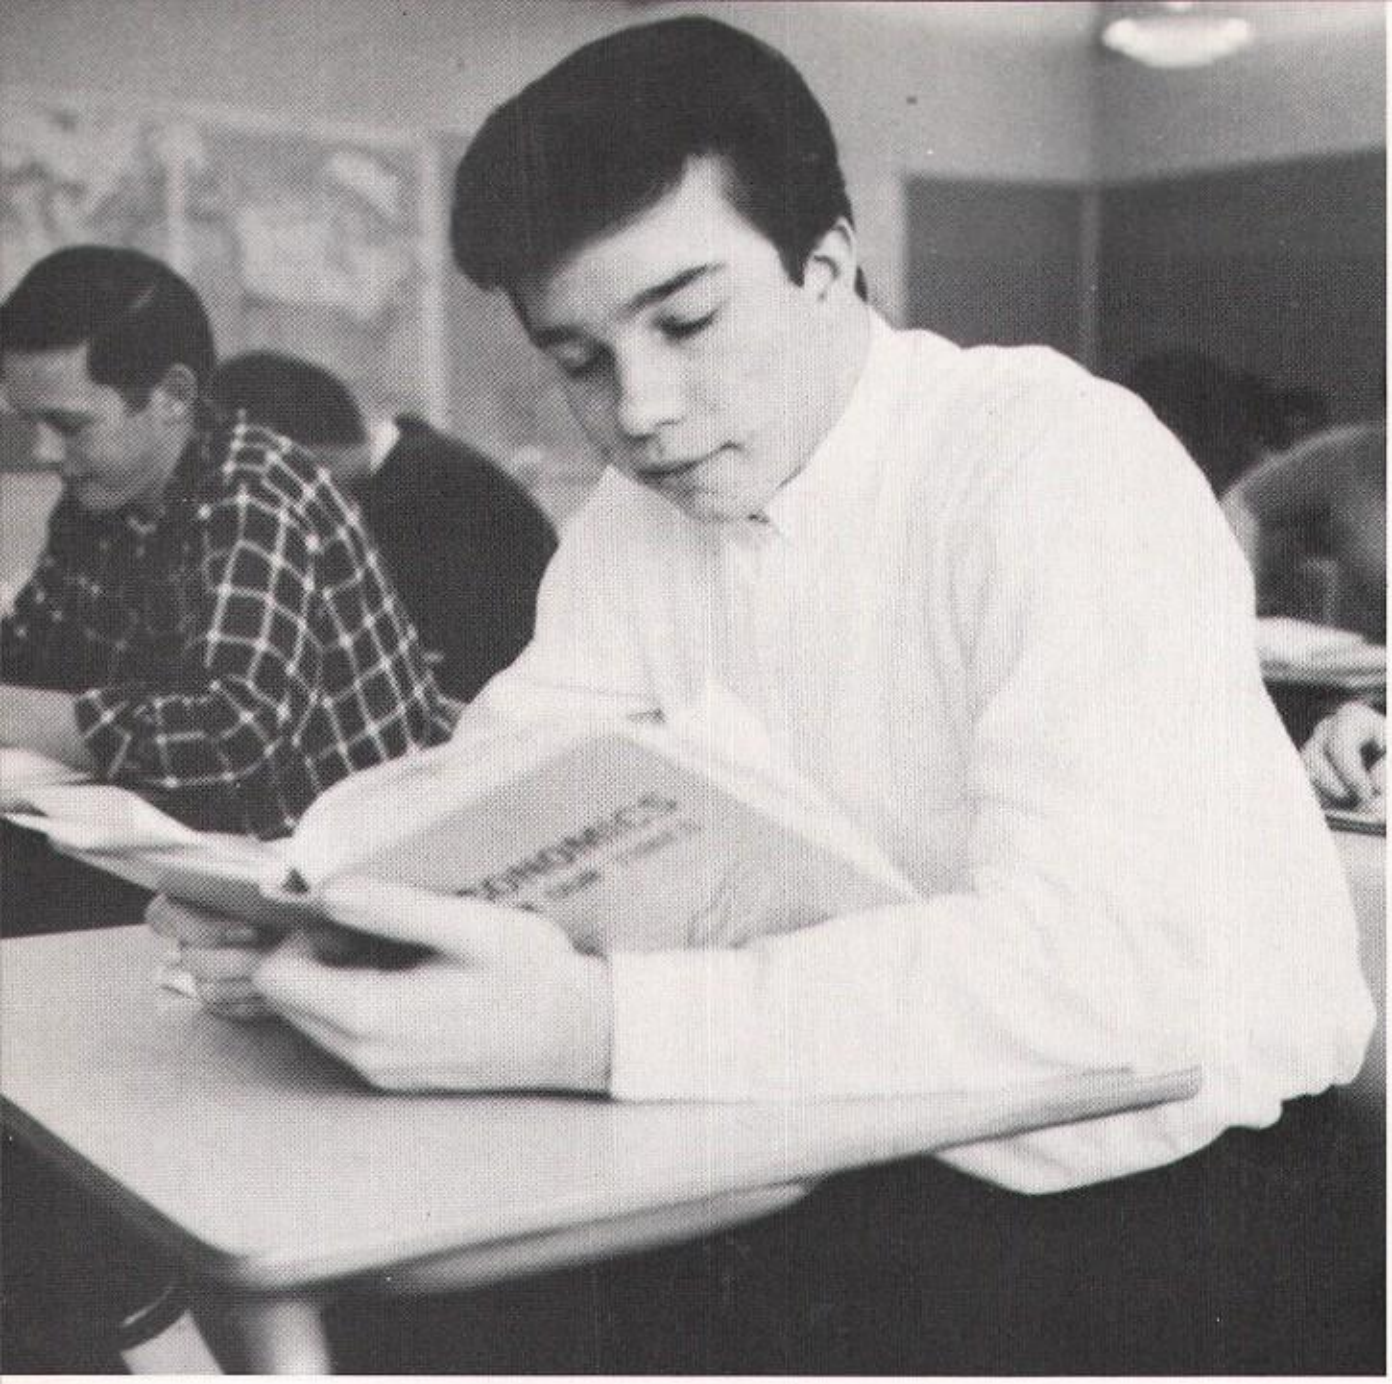
Physical Education classes place emphasis on physical fitness. The Marines' Physical Fitness tests were given this year and Washougal had excellent test results on an individual basis. Out of a possible 500 pts. (in which only 3 Marines have ever achieved), Charles Lindgren did a superior job of scoring 480.

Home Ec. and Commercial Classes Prepare Us For The Future

Home and Family Life classes emphasize food and nutrition, textiles and clothing, family health, housing and home furnishings, personal and family relationships, child care and development, home management, and money management.

Commercial classes consist of Typing I and II, Shorthand I and II, Bookkeeping I and II, and Business Law. Students strive for accuracy and speed in Typing and Shorthand, for general knowledge of business and personal bookkeeping and neatness in Bookkeeping, and to be aware of contracts and tort law in Business Law.

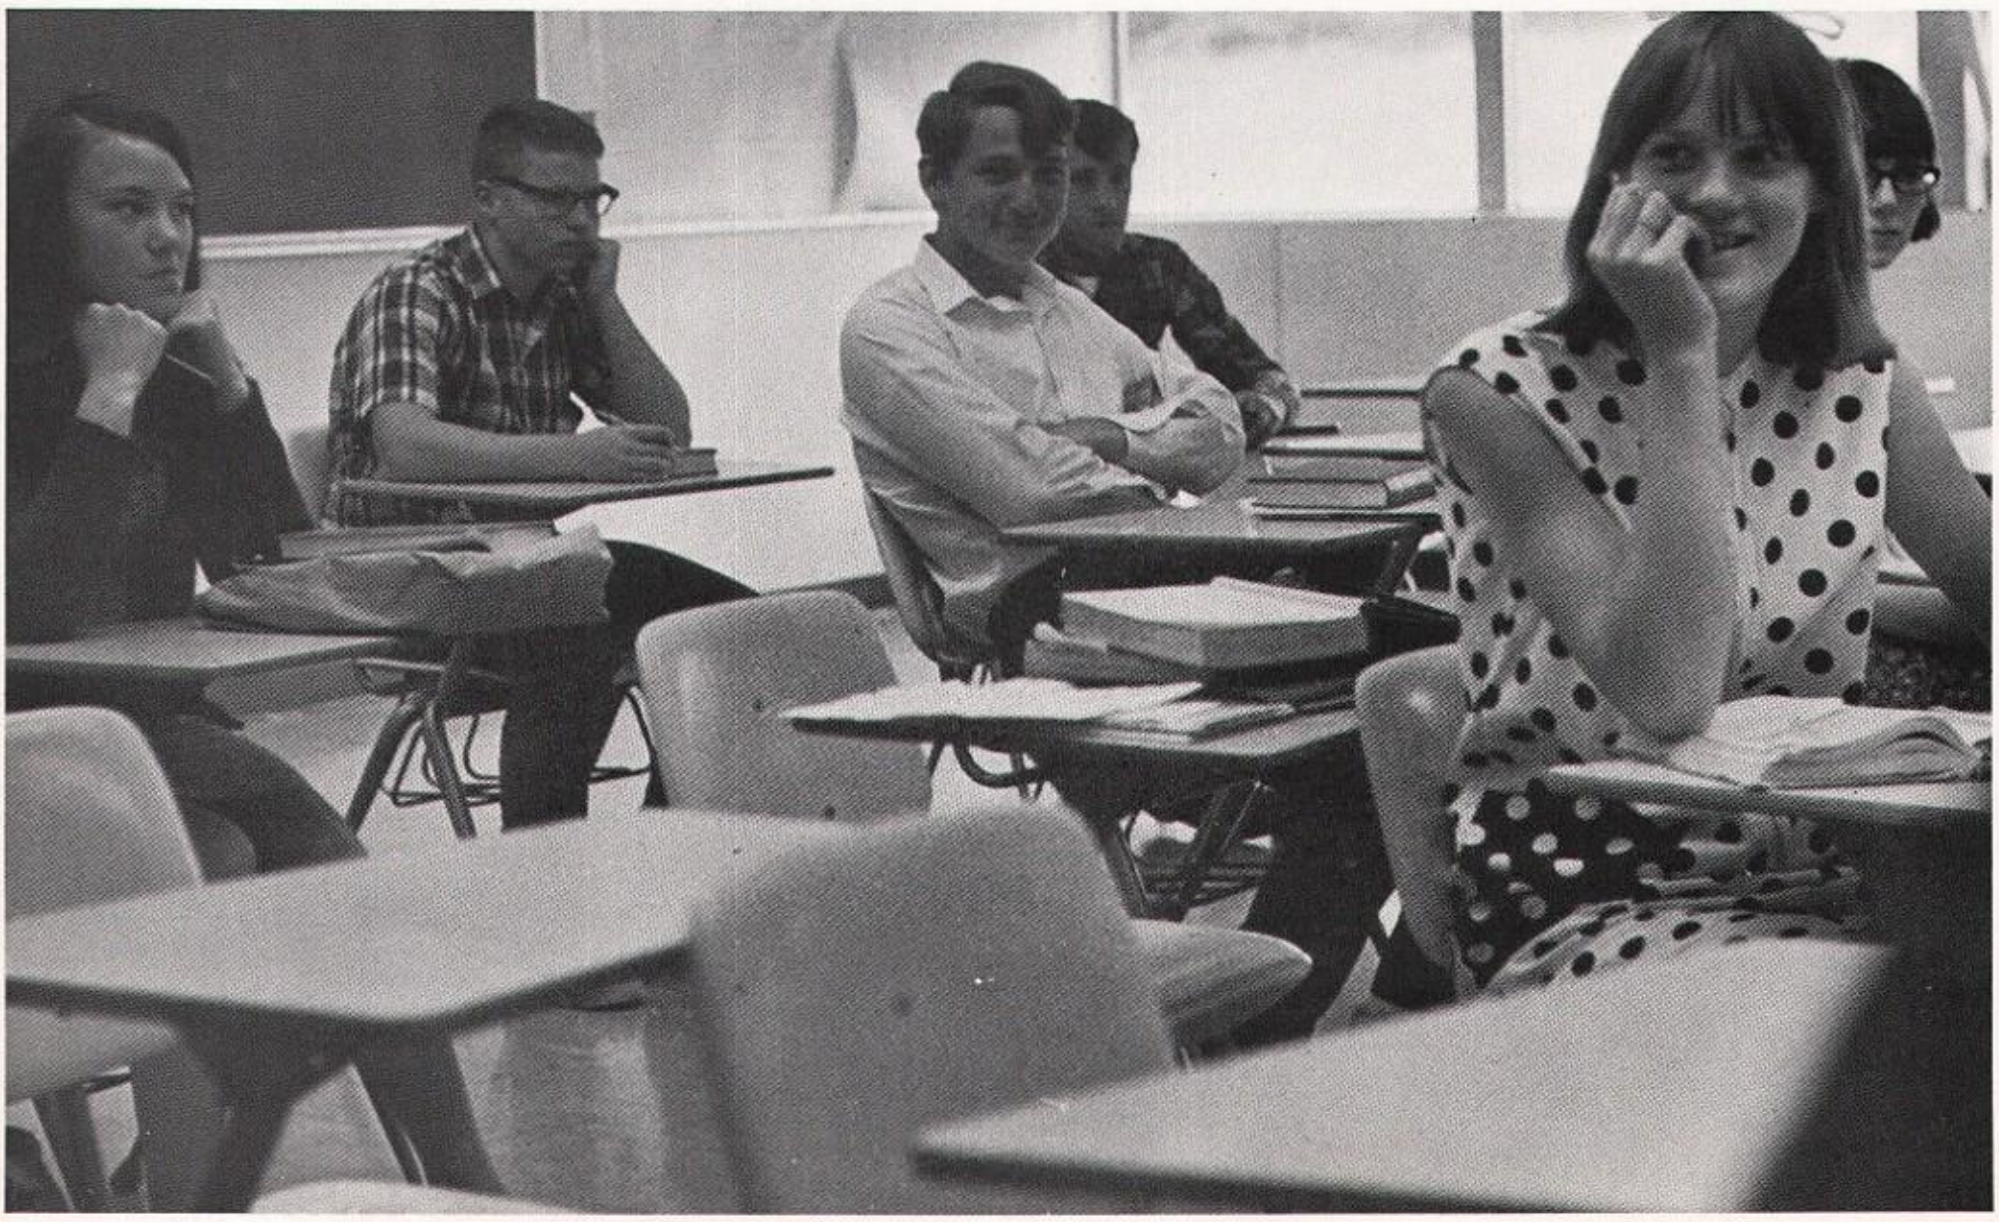




English helps students to communicate better and to understand life. English 1-2 and 3-4 deal mainly with principles of grammar and sentence structure with development of skill at writing paragraphs and compositions. English 5-6 is composed of a detailed study of the short story, novels, and poetry with extensive study of compositions and theme writing. English 7-8 is mainly a study of English literature and the development of the English language.

History classes help the students in understanding their world. It begins with the progress of man through the ages and envelopes a study of world geography, United States history, and Washington State history. Contemporary World Problems deals with the economic status of the world and its present problems.

English and History Aid In Communication and Understanding



Courses offered for students desiring a complete background in mathematics are Algebra, Geometry, Advanced Algebra and Trigonometry, and Math Analysis. Algebra deals with set theory and simple quadratic equations, Geometry deals with constructions and proofs of geometric properties, Advanced Algebra and Trigonometry deals with derivations of theorems and solutions of equations, and Math Analysis deals with advanced mathematical concepts.

Three phases of science were taught—Biology, Physics, and Chemistry. Biology is an inquiry into living things, Physics is a study of such ideas as dynamics and electricity, and Chemistry is an introduction to the physical and chemical phenomena related to the elements.

Mr. Leo Blodgett began his first year as Superintendent of Washougal schools this year. He has previously been principal of W.H.S. and Assistant Superintendent of the school system.

Mr. Richard Walker stepped into the position of Assistant Superintendent. He was formerly principal of the elementary schools.

Mr. Blodgett and Mr. Walker have been faced with a large project this year. Money was appropriated by a special school levy for additional class rooms and physical education facilities.

Mr. Bill Jurgens is completing his second successful year as principal at W.H.S. His right-hand man is vice-principal and boys' counselor, Mr. David Cox.

For the 1966-67 school year, Mr. Jurgens and Mr. Cox have worked on such innovations at W.H.S. as activity period, a new system of class rotation, and helping the students obtain recreational equipment for the school. While meeting these new conquests, Mr. Jurgens and Mr. Cox continue to aid each student in his every-day problems and in planning his future.

"Take out a piece of paper! We're going to have a quiz." Groans and moans are heard from the students! "I didn't study." "Where's my homework?" "May I have a corridor pass?" "Can I get a drink?" These are the typical remarks the teachers hear from the students as they start a busy day at W.H.S.

In addition to their classroom activities, the teachers also help by advising the different clubs, taking tickets at the games, and chaperoning the various dances.

Student Council Works to Better Life at W.H.S.

Members of the Student Council: Frank Crawford, Dave Pettyjohn, Roger Snoey, Ron Wysaske, DeLayne Brink, Pedro Gonzalez, Wayne Burchett, Dale Luthy; Ann Guard, Mary Hoxie, Linda Ireton, Caryn Rader, Mike Meyer, Ellen Morgan, Penny Ogle, Dennis Doyle, Lina Miller, Winnie Tuholski, Janet Cox, Karen DelGrosso; Vicki Townsend, Donnetta Brink, Vicki McDowell, Susi Baker, Jeff Lightheart, Linda Dolan, Laurene Malfait, Kathy Blodgett.

This year, after carrying out the annual Homecoming activities, the big aim of the Student Council has been to make life at W.H.S. more enjoyable for the students. They sponsored a magazine sale, in which the student body took an active interest. With the profit from the magazine sale and other sources, the Student Council was able to purchase two ping-pong tables which are used during the lunch hours and before and after school.

Set up crew: Dick Anderson, Tim Woodman, Rich Adams, Delayne Brink, Jeff Lightheart, Jim Hickam

Donnetta relates her experiences to eager audiences.

Donnetta Brink

Donnetta was chosen for an A.F.S. summer exchange student to Germany after completing numerous forms and applications. After being screened by the local A.F.S. board, her application was sent to New York, where the final selection was made.

The summer started for Donnetta with a train trip across the United States with several other A.F.S. students. It included a trip to Washington, D.C., and a short stay in New York.

From New York, she traveled by ship to Germany, where she was met by her first family and was taken to Offenbach, near Frankfurt, her home for the month of July. Her second month in Germany was spent in Meckelstedt, with her second family.

Donnetta and her German family outside their home.

Pedro escorts Maria to Homecoming

Pedro Roman Gonzalez, Jr.

Pedro Gonzalez, foreign exchange student from Panama City, Panama arrived in Washougal this year only to be caught up in a whirl of activities at Washougal High School.

Pedro resided with the Ralph Hatten family, living with his American brothers, Mark and Randy, and his American sister, Maureen.

Pedro arrived at Washougal confused and perplexed, but when it came time for him to leave, he had made many friends and Washougal had become his home away from home.

Pedro and Donnetta tie the knot at Sadie Hawkins.

In Memoriam

Because of you we will be glad and gay,
Remembering you, we will be brave and strong;
And hail the advent of each dangerous day.
And meet the last adventure with a song.
And, as you proudly gave your jeweled gift,
We'll give our lesser offering with a smile,
Nor falter on that path where, all too swift,
You led the way and leapt the golden stile.
Whether new paths, new heights to climb you find,
Or gallop through the unfooted asphodel,
We know you know we shall not lag behind,
Nor halt to waste a moment on a fear;
And you will speed us onward with a cheer,
And wave beyond the stars that all is well.
